

## Jennifer S. Linder | Industrial Hygienist

**PHONE** (304) 233-0000  
**EMAIL** jennifer.linder@steptoe-johnson.com  
**EDUCATION** M.S. West Virginia University

Jennifer S. Linder has more than 14 years of industrial hygiene experience in a chemical production site. Jennifer holds dual B.A. degrees in Biology and Chemistry, as well as a M.S. degree in Occupational Hygiene and Occupational Safety. She has experience in formulating air and noise sampling plans for a chemical manufacturing facility. She manages sampling equipment and media inventory for both personal and area exposure monitoring in order to complete sampling surveys. She evaluates workplace conditions through observations and sample survey results. She has the responsibility of record keeping and communicating survey data with supervision and employees through written reports. Jennifer has also served in the role of Radiation Safety Officer.
