LICENSURE WV
EDUCATION J.D. William & Mary

Lauren Williams focuses her practice in the area of energy litigation. She represents the interests of the oil and natural gas industry and has been involved in many aspects of title and condemnation litigation.

REPRESENTATIVE EXPERIENCE

Represented oil and gas operators in title litigation matters, including partition and missing heirs petition proceedings

Defended tax sale litigation in state and federal court, including appeals

Defended oil and gas operators in cases involving royalty, nuisance, and trespass claims

Litigated several condemnation matters, including condemnation to facilitate construction of interstate natural gas pipelines

Defended companies and individuals from claims of negligence in personal injury cases

Represented an oil and gas industry group in submitting an amicus curiae brief regarding a matter of critical importance to the industry
